

Press Release. 22nd February 2010

The first international Fruitarian and Breatharian gathering in Human history will take place in Brittany this summer:

FRUKTIFEST 2010

People wanting to spend Fruitarian and Inedian holidays together will gather from 1st to 22nd of August at an ecosite in the Broceliande Forest to debate, have fun, take care of their body and further their self-development, in an exceptional, positive, gentle ambiance, free from any psychotropic substances.

The key moments of this festival will be Isabelle Hercelin's lecture (www.senourrirdelumiere.wordpress.com) on pranic nourishment on Saturday, the 7th of August 2010 at 2.00 PM. She has been feeding herself only on water and prana since September 2009; and perhaps at 4.00 PM, the lecture of a fitness trainer, Jericho Sunfire (www.jerichosunfire.com), a famous ex-fritarian, now breatharian, who has not been eating or drinking since 2008.

Translation will be provided at least in English, French, German and Dutch. The gathering will be suitable for any religious belief. It will be based on sharing and will be independent of any political party. The organizer of this meeting is the Fruitarian/Fructivore Club (www.fructivore.org). Its facilitator Yann Fañch (www.yannfanch.com), and Isabelle Hercelin, will be available to you for an interview.

**Kind regards,
Yann Fañch**
